Pecinan, Bulungcangkring, Kec. Jekulo, Kabupaten Kudus, Jawa Tengah 59382

I am Angga, a fifth-semester student currently studying for a bachelor's degree in informatics engineering at Dian Nuswantoro University, Semarang. I am the Chairman of the Dewan Perwakilan Mahasiswa Fakultas Ilmu Komputer's Oversight Commission. I have an interest in the Python programming language, and I want to be a professional data scientist in the future. I have a growth mindset and am eager to learn new things. I am a person with high discipline and responsibility who is also flexible. I love to connect with and inspire people out there.
